## Organiser's Comments

The FRA relays is a complex logistical event to organise but after 18 months of planning and hard work we were pleased with the outcome and so were you judging from the comments posted on various club web sites during this last week. Anne Nimmo from Carnethy eloquently described the event on their web site:

"If winning had anything to do with time of enjoyment on the hill though I think we'd have won. It certainly ranked as was one of my favourite runs. The area is sometimes called 'little Switzerland' because of the houses but it was the myriad trails through the picturesque hills and valleys and perhaps the sheer unexpectedness of finding this jewel so far south that made it special! "

We knew the navigational leg would be the decider and we were proved right. We deliberately tried to make the actual checkpoints relatively easy to find but placed an emphasis on route choice, giving several options between them. Whoever picked the correct combination was going to be the winner. Gary Devine and Jason Helmsley pulled Pudsey and Bramley up from 5<sup>th</sup> to first place with a 34 second lead ahead of Salford and despite a strong challenge from Mercia's Mike Bouldstridge on the last leg, Rob Hope maintained pole position for the Yorkshire Club. Similarly in the Vets and Women's class it was the navigational leg which proved the decider with Mark Seddon and Phil Dewhurst of Horwich in the vets and a superb run by Helen Winskill and Jenny Whitehead from Dark Peak setting up their clubs to win the respective classes.

An event like this inevitably requires a large team of helpers and we were indebted to our Mercia team mates for agreeing to help with the event and turn out in force on and before the day. Many sacrificed runs on home soil as we only entered 1 team in the open class.

Thanks must also be given to the National Trust, for being flexible about the courses, the Well Well Well company for allowing us to use their field for the start, finish and changeover; Church Stretton school, the Red Cross and finally to Pete Bland sports for sponsoring the event.

A special thanks to Dave Jones from the FRA who was the race controller. Dave vetted all the courses and provided us with much advice, wisdom and encouragement both before the event and on the day when we had to deal with the issue of several teams taking a short cut on the taped route from the last checkpoint to the finish. Clearly we can't please everyone as some of you let us know in no uncertain terms! But as the circumstances were not in our opinion clear cut we felt the time penalty was the most equitable resolution of the problem.

Having demonstrated that there is some good fell running terrain outside the more recognised areas we hope you will come back to Shropshire to sample some of the many other races that are held here throughout the year. And so we pass over our batten to Pennine who are organising next years event in the Peak District.
