

TITTERSTONE CLEE/LONG MYND VALLEYS RACE

The week-end provided excellent competition, a great deal of 'fell-runner comradeship' and, I hope, sound organisation and management. My thanks to all for coming and taking part in the right spirit. My special thanks to the team of helpers who know who they are and without whom runners could never enjoy their events - they were there mopping out changing rooms at 5.p.m. on Sunday!!

Congratulations to Graham Patten for his comfortable victory at Titterstone and his overall award, and to Karen for a splendid "double". The men's race on Sunday produced a most exciting finish off the last hill with Duncan Hughes just edging out Dave Hall. The weather behaved itself on Saturday and even Sunday improved after an ominous start - but obviously the right gear and experience are essential even in Shropshire in February conditions.

Hope to see you all again next year.

Nick Kingston.

P.S. With the excellent numbers attending we should be able to 'peg' fees and will offer the 'T' shirts - hopefully!
