

SHROPSHIRE WEEKEND

TITERSTONE CLEE & LONG MYND VALLEYS RACES

20th & 21st FEBRUARY 1993

RESULTS

ORGANISERS REPORT

It seemed fitting that the best weather we've ever enjoined in the six or so years we've held the Shropshire weekend should be reserved for the year the Long Mynd Valleys race was chosen to be an English championship race. We hope you enjoyed the 2 days in Shropshire and from comments we received I think many of you hadn't appreciated that there is some good fell running country outside the more traditional areas. On both days, route choice is the key to success and looking at the positions through the checkpoints on the second day there were certainly many changes as the race unfolded reflecting different route choices taken.

Congratulations to Andy Trigg and Carol Greenwood for such fine runs. Both runs will stand as course records on the new course which we hope we can stay with in future years. Both times would have been well inside the old record on the slightly longer course which started some 4 to 5 minutes down the valley. Congratulations also to Tony Hesketh and Janet Kenyon who were the most consistent runners over the two days. Its surprising how much you feel the effects of the Titterstone Clee race on the second day climbing Callow!

Many thanks to the majority of you who conformed to the rules on the second day by carrying full body protection. A small minority flouted the rules despite the organisers making it very clear in the race details and on the information handed out to all runners at registration. This was disappointing to say the least. If one of these runners had been involved in an accident it would not only have reflected badly on the sport and the organisers but their own survival might have been affected.

Many thanks to all the hard work put in by my Mercia team mates and both sides of my family. Organising a race with 3 children under 2 isn't easy but thanks to the tremendous support I received we made it. Producing the results has proved to be particularly difficult because a number of you either had your number hidden or indeed lost it en-route. If there are any major anomalies which affect the principal results please get in touch with me (0934-732659). There was quite a bit of lost property left please get in touch with my brother Richard Day (0785-661637) to claim it. My mother has washed most of it because it was stinking the house out. They intend to dispose of it after 6 weeks of dispatching these results.

Hope to see some of you again next year.

Mike Day (race organiser)
