SHROPSHIRE WEEKEND

TITTERSTONE CLEE & LONG MYND VALLEYS RACES

12th & 13th FEBRUARY 1984

ORGANISERS REPORT

Titterstone Clee provided some unexpected surprises this year with the thick mist creating havoc to the route choice of a large number of runners. The leading group took a wrong line off the summit and found themselves having to double back on themselves. Dave Smith a keen orienteer and the only runner with a map took a little used route choice which paid tremendous dividends with only a few runners having the courage to follow him including the Mark Healey the eventual winner. It was good to see a winner from the Springfield Striders Club based in Essex who faithfully support the race each year. There was much to play for on Day 2 with the overall race wide open. Congratulations to Andrew Wrench for making up a large number of positions and taking the Shropshire Weekend trophy.

On the Saturday evening there was much speculation by Mercia Club members as to whether the reported bad weather coming up from the South West would necessitate a shortened course. At 7. am on the Sunday morning I nervously peered outside to find it sleeting but fortunately not settling. The race went ahead and it brightened up into a clear but extremely cold day. Mark Kinch had a storming run, he was well clear of the field by control 2 and poured it on over the last 3 checkpoints over the toughest part of the course. He won by a clear margin of 6 minutes and broke Andy Trigg's record set last year by 23 seconds; a tremendous achievement. Cecilia Greasley comfortably won the Ladies race by a margin of 6 minutes.

We did a number of spot checks on kit and I am pleased to report that everyone whom we checked was carrying the right gear. This was heartening since last year a number of runners flouted the rules. We know that a few runners didn't visit Control 4, they clearly dropped down into the valley below the checkpoint and didn't bother to retrace their steps, it doesn't affect the leading results, but we will disqualify people next year.

Many thanks once again to all the hard work put in by my Mercia team mates and both sides of my family. Manning the finish and checkpoints is no joke when it's so cold. Everything seemed to go relatively smoothly. We kept the entry fees the same as last year and through in free cups of tea after the race as an added bonus. The weekend is not cheap to put on, we have to pay for access and the hire of the school is expensive. Nevertheless the warm showers and changing are generally appreciated.

I have 3 items of lost property, please give me a ring to claim it (0934 732659). The items being:

- 1 Ladies brown purse containing approximately £10
  - 1 Adidas Silver rain top with red stripes and a pair of black finger less gloves which convert into mittens (Tomorrows world stuff these gloves)
  - 1 Navy rain top.
- Mike Day (race organiser)
