

THE SHROPSHIRE WEEKEND

TITTERSTONE CLEE AND LONG MYND VALLEYS RACES

18 - 19 FEBRUARY 1995

ORGANISERS REPORT

There were no surprises at Titterstone Clee this year in the form of mist perhaps the surprise was that it was clear and bright and you could see the summit ridge from the start. We were down on numbers but were pleased to see our friends from the Essex club Springfield Striders and the Bexleyheath club Cambridge Harriers who travel long distances and faithfully support the race each year. Sean Willis was a comfortable mens winner and Swedish orienteer Helena Axelson easily won the ladies race. There were, however, a number of private battles going on right down the results sheet. Tim Davies held off the challenge of Harry Matthews in the Junior race to finish 4th and 5th overall and Christine Ashton just beat mum Sue to be second Lady and first junior lady.

Sunday too started bright and clear and 138 runners lined up for this years Long Mynd Valleys race. Mark Kinch last years winner had a brilliant run to win by 11 minutes and break his own course record by 1 minute 40 seconds. Celia Greasley also won for the second year running. Congratulations to both runners.

Sean Willis won the overall trophy for the two days finishing second on day 2. T shirts are awarded to the first 30 in the overall competition and a number of you had to get away and didn't stay for the prize giving. I unfortunately didn't keep a record of everyone who didn't pick up a T shirt so please contact me if you haven't received one and I will post it onto you.

The whole weekend went very smoothly from my perspective and my thanks once again to all my Mercia teammates and both sides of my family who enthusiastically helped out over the two days. The weekend was only marred by one competitor who arriving at control 6 having missed out controls 3, 4 and 5 decided to ignore the checkpoint marshals advice and go back round the checkpoints he had missed out. He arrived back at the finish at 4.30pm just as a police search was about to commence. Next year as a result of this unfortunate incident we will be tightening up the rules with regard to cut off times at checkpoints and insisting that people retire if they clearly cannot complete the course by 3.30pm.

As usual I have a number of items of lost property all left in the men's changing room as follows :

A blue Sprayway gortex jacket (50p in inside pocket)

An orange towel

A black wash kit with various body shop items inside

A black T shirt

Please contact me if you have lost them and I will send them to you (postage not included !)
