THE SHROPSHIRE WEEKEND

*TITTERSTONE CLEE
AND
LONG MYND VALLEYS
RACES*

17-18 FEBRUARY 1996

ORGANISER'S REPORT

A very poor weather forecast for the weekend led me to consider all sorts of contingency plans. However, Saturday was mild and the rain held off, and the threatened snow for Sunday never materialised, although the biting wind and sleet made conditions very difficult.

A huge turnout from Springfield Striders and Cambridge Harriers and other friends from Southern clubs swelled the numbers up again for the Titterstone Clee race. Sean Willis shrugged off his ankle injury and took a good line to the base of Titterstone and Ken West's formidable record looked in jeopardy. Unfortunately Sean was unable to find the best line through the rocks near the summit ridge and Ken's record remains but Sean's win set himself up for the overall trophy. The Davies brothers and Harry Mathews pushed him hard. Sue Ashton this year turned the tables on her daughter to win 'the Ladies race.

It was good to see 179 runners line up for the Long Mynd Valleys race. Mark Kinch made it three wins in a row to win by nine and a half minutes over another LMV stalwart Andy Hauser. Trishia Sloan the first Lady was well placed in 33rd place. Congratulations to everyone who braved the conditions and got round this challenging course.

The whole weekend went very smoothly. Because of last years debacle when a runner went missing, deliberately ignoring instructions from a Marshal to retire we were strict on the cut off times. The marshal's all stayed on well beyond the cut off times to cater for stragglers. Next year we may have a separate start at 11.00am for those who want to get round the whole course but feel they are unable to make the cut off times. The light soon goes in February and your safety is now a major concern for organisers. We had one complaint from a resident who lives by the start about runners peeing in front of his house. I had to apologise profusely on your behalf and placate his wrath and desire to get the race banned by the National Trust. Access is not easy these days, the National Trust lay down strict conditions and we have to pay a levy of £45. We provide toilets at the School and pay £137 for its hire; there are also public conveniences in the valley and plenty of quiet spots. Please don't let it happen again.

My thanks to both sides of my family who put in many hours hard work and my Mercia team mates and their friends who helped over the weekend, particularly the Marshal's and those on the finish who had to brave the weather.

See you all again in 1997.
