Organiser's Report

The contrast between Saturdays and Sunday's weather couldn't have been more marked and this was reflected in the comparative times of the two days. Mark Kinch made it five wins on the trot for the Long Mynd Valleys Race and also for the first time took the overall prize for the 2 days. In the process he was only 18 seconds off Ken West's Titterstone Clee record of 1988 - the closest anyone has got to it for some years.

Its always nice to see the regular faces each year and the large contingent who come each year from the South. Above are the average times of those of you who have run the Long Mynd Valleys race for the last five years. Its interesting to note the overall consistency of times.

My thanks to all my Mercia team mates and both sides of my family who once again rallied round to help out with the organization of the weekend. Special thanks to the marshals and finish teams who braved the wind and the rain on the Sunday and to Don Thompson who once again organized the access arrangements for Saturday's race and manned the summit.

Our best wishes for a speedy recovery go out to Russell Mapp who broke his ankle just below checkpoint 4. Thanks to Terry Davies who forfeited his run to help Russell along with the marshals, Nick Kingston and Ray Myers and a spectator, Mr. Hughes. The things runners do to get a ride in a helicopter!

Geoff Newsam of Clayton Le Moor lost his orange Pete Bland bum bag in the changing rooms containing Cag & Overtrousers, Compass & Whistle. If anyone picked it up by mistake please can they either send it to me or if you know Geoff give it to him at a future race.

See you again in 1998.
