Organiser's Report

Two days of perfect weather for fell running produced some excellent results. I was encouraged by the increase in entries on last year particularly at the Titterstone race .

Congratulations to the overall winners Julian Bass and Polly Gibb who recorded excellent times on both days. It was also great to have a fiercely competitive women's race over the Long Mynd with the first 3 women within 3 minutes of each other.

The weekend went relatively smoothly apart from leaving the numbers for Sunday's race behind in Somerset and forgetting to bring the printer! My thanks to Tony Hume and club mate Tony Thompson for saving the day. Quite a lot of lost property this year - I still have a pair of very large trainers and a blue rock and run bum bag with a purple jacket and over trousers inside it unclaimed.

As usual I am indebted to the help and support of both sides of my family and to fellow club mates and their friends who helped over the weekend. Particular thanks to Don Thompson and his wife for manning the summit and obtaining permission for the race at Titterstone once again, to Charlie Leventon and his team of helpers who organised the start and finish of both races and everyone who manned a check point at Long Mynd .

And finally there are now only 2 runners who have run all eight races over the new Long Mynd course since it was changed in 1993 :

		Av time 1993-2000
1. Dave Tull	(V50) Cambridge H	2.19.47
2. Ian Marshall	(V50) Cambridge H	2.22.58

Ian was faster than Dave by over 3 minutes this year but Dave's average time is still marginally quicker. Both runners ran in the first year I organised the weekend in 1992, so if both runners make it 10 in row next year they will receive a special prize.
