Organiser's Ramblings

Another glorious weekend of fine weather – two years in a row, brought record numbers to both races outside English championship years. As well as familiar faces and friends a number of newcomers participated this year – some taking part in their first fell race, and everyone with a personal story/challenge to recount. Paul Cadman last won the overall trophy 9 years ago but his zest for winning races has not weakened and he won the overall trophy by a handsome margin. Poly Gibb was also a clear winner of the women's competition finishing in an excellent 6th position overall. For Ian Marshall and Dave Tull of Cambridge Harriers it was their 10th consecutive race over the Long Mynd since I have kept computer records. For Lou Myers, still running at the tender age of 73, it was simply the desire to compete, along with another 55 of you who completed both races. Lou kindly donated a trophy for the event which I awarded to Janet Hill of Springfield Striders who competed in her first fell races. Congrats too to James McQueen of Eyria who won the Long Mynd Valleys race by a clear 2 minutes

Once again my thanks to Mercia club mates who manned checkpoints, helped on registration and at the school and to both sides of my family whose assistance enabled the weekend to go smoothly. Charlie, Jill and Pauline did a brilliant job on the finishes especially with the printer failing on the second day. Finally, a special thanks to Don Thompson. Don once again obtained permission for the Titterstone Clee race and manfully took the numbers at the summit with his wife, despite suffering from a defective hip which is due to be replaced soon.

No lost property this year, but a number of you didn't pick up t shirts for the combined event – first 26, and I have a few left over – give me a ring or e mail me if you won one and didn't pick it up.
