Organiser's Comments

Although numbers were down this year for the Titterstone Clee race the quality of the race was the best since before 1992 with 3 runners well inside 20 minutes - congrats to the three Tims.

However, more people turned out for the Valleys race – no doubt some were acquainting themselves with the area in preparation for the FRA relays this coming October. Tim Davies went on to have a brilliant Long Mynd Valleys race with a winning margin of over 4 and half minutes. His time was the second fastest winning time on the current course which was changed in 1993. Only the 1998 Championship year, in near perfect, dry, conditions, saw faster times. With two straight wins Tim won the overall trophy from last years winner Tim Werrett. Rosie Hart won the overall Women's trophy – a new trophy for this year in memory of my Mum who died last month and helped out at every Shropshire Weekend since 1992.

Thanks once again to all the Mercia helpers who once again ensured that the weekend went relatively smoothly.
